### **RCDHU is issuing an advisory for potential COVID-19 exposure**

Today, Renfrew County and District Health Unit (RCDHU) confirms over a dozen positive laboratory-confirmed cases of novel coronavirus 2019 (COVID-19) in Renfrew County that District (RCD) have been linked to a possible exposure. RCDHU is issuing an advisory after confirmation that individuals who tested positive for COVID-19 visited the following location:

- The Prior Sports Bar & Restaurant (Arnprior): Wednesday, February 17, 2021, between 11:00 a.m. to 12:00 a.m. (midnight).

If you visited this location during these times (including staff, patrons, and visitors), immediately self-isolate and contact Renfrew County Virtual Triage Assessment Centre (RCVTAC) at 1-844-727-6404 to arrange for testing. RCDHU is asking this of community members due to information received during case and contact management of high-risk contacts. There is concern that some individuals may still be infected with COVID-19, and we are trying to prevent further spread.

All necessary precautions are being followed to ensure the safety of the public. RCDHU is conducting case and contact management with appropriate individuals and organizations.

Remember, we need to work together to stop the spread of COVID-19. Stay home. Stay Safe. Save lives. Additionally, it is imperative that everyone do their part to keep the community safe; stay home if they are sick, avoid contact with people who are ill, practice physical distancing (2 metres), wear a mask/face covering when physical distancing cannot be maintained, wash their hands, use the COVID Alert App, and if you are symptomatic, complete the [COVID-19 self-assessment tool](#) or [COVID-19 school and child care screening tool](#) before going to work, school or daycare, to monitor for symptoms and proper guidance.
