

Renfrew County and District (RCD) COVID-19 Vaccine Rollout at a Glance

Updated: June 09, 2021

Key Message

Residents who have been unable to book a vaccine appointment due to high demand can now add their name to the [Weekly Extra Dose Sign-up List](#). **This Extra Dose Sign-Up List is not in place of booking an appointment and everyone should continue to book appointments as they become available.** Early second dose appointments can be booked online by eligible people, as per the list below. **Anyone who received the AstraZeneca vaccine must wait 12 weeks after their first dose before receiving a second dose.**

Visit RCDHU's COVID-19 Vaccine Rollout webpage to book your **first dose or early second dose** appointment and to sign up for the weekly extra dose list. **Please book only one appointment per person** to ensure that appointments are available to other eligible individuals. **If you book an appointment, please keep it.** If it is critical to change your appointment, **please cancel through the link in the email** you received confirming your appointment.

Local Snapshot

Total Doses Administered to Date
66,787

Residents with at Least 1 Dose
59,703

Percentage of population (aged 12+) with at least 1 Dose
62.9%

Eligible people who can book first dose appointments:

- Residents in the general population aged 12 and over (must be 12 years of age as of the date of vaccination)

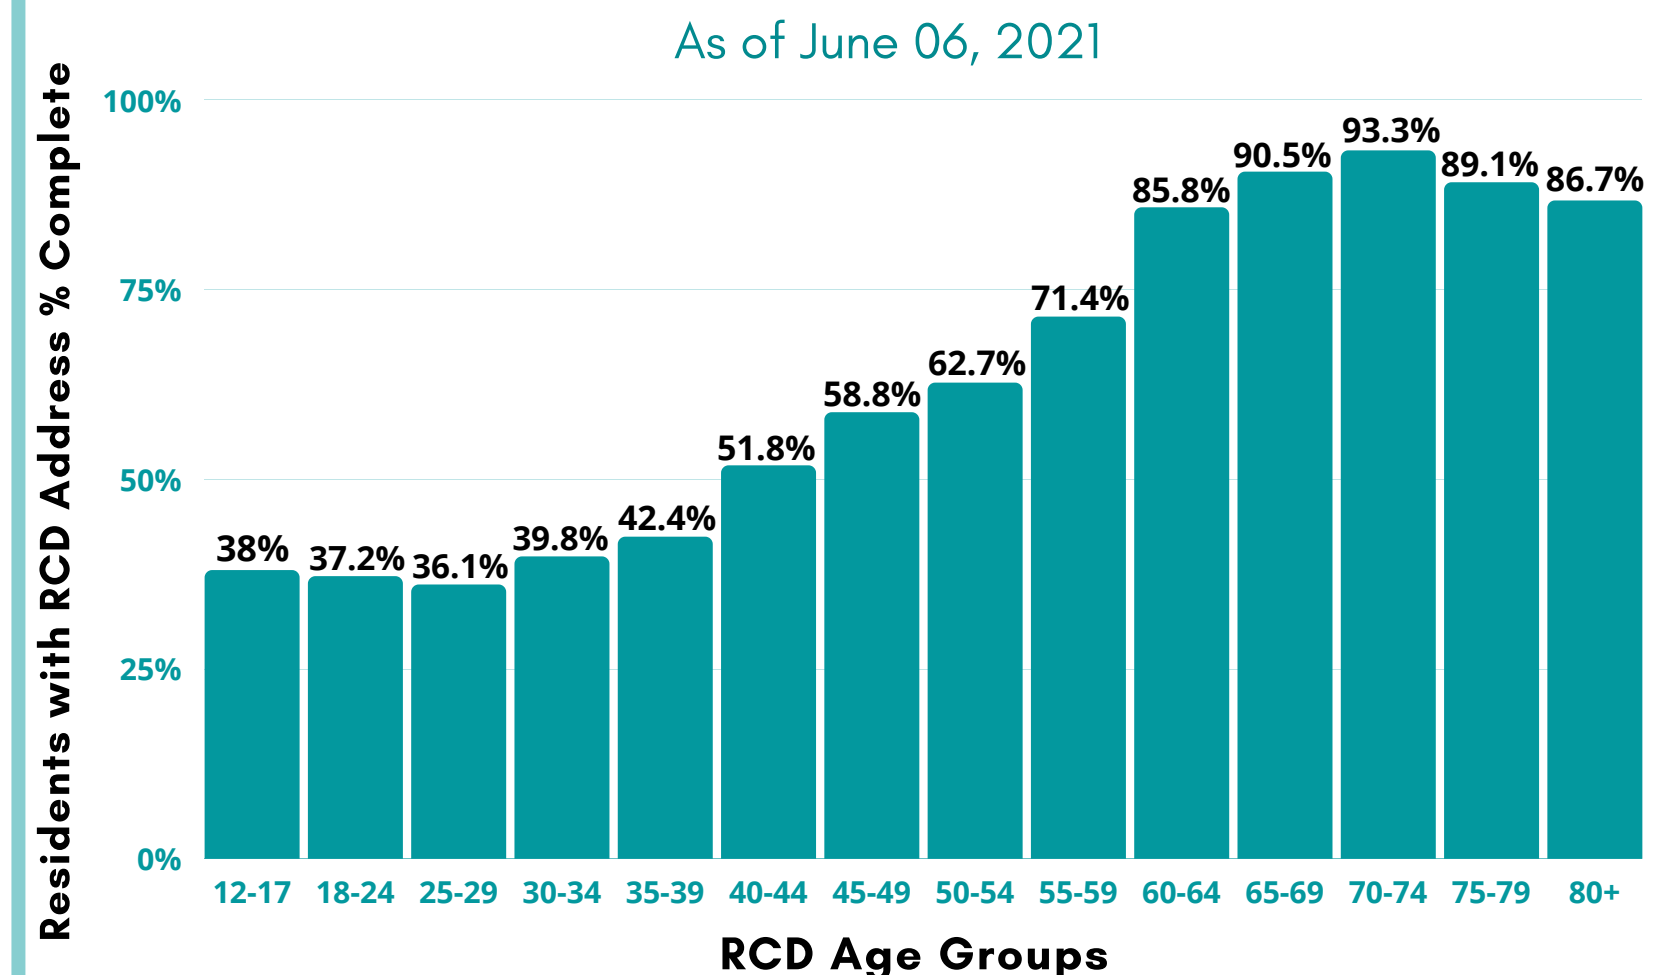

Eligible people who can book early second dose appointments:

- Residents in the general population aged 70 and over
- High risk healthcare workers
- Indigenous residents (on and off reserve) and non-Indigenous partners or household members
- Any individuals vaccinated on or before April 18th, 2021

Vaccine clinic dates and times are only available based on vaccine supply.

⚠ Eligibility expansion will result in **longer wait times** for appointments. **Please be patient** as you wait for appointments to become available.
PLEASE NOTE: At this time there is no longer pre-registration for appointments.

Percentage of RCD residents that have received at least 1 dose of the COVID-19 vaccine, by age groups
